

Hey Team Midway,

Early on in this crisis, we decided to be part of the solution, not part of the problem. We've been following state and CDC protocol for the past few months, and we're excited to announce that **we are open for business.**

We're taking measures to expedite your shopping experience:

- Offering call-ahead or email orders
- Electronic signing, so you don't even have to come into the store
- Delivery and Pickup service
- Curbside pickup for everything from: PPE (surgical masks, sanitizing products, glasses, etc.) to aerial lifts, lawn care equipment, and all of our usual products
- A gate director who will help ensure your visit is conducted in the quickest manner possible

With construction being deemed essential Today, we assure you we'll be in full swing by the end of the week, open 7:00am - 5:30pm Monday - Friday, and closed on the weekends.

As always, we genuinely care about our local community across the UP and northern Wisconsin, and we will do everything in our power to conduct business in an efficient and responsible manner - putting your safety first.

Thank you for keeping it local and considering Midway Rentals and Sales

We're here for you.
