

Sorbents play a critical role in facility safety, cleanliness and compliance. These products can help you prevent slips, trips and falls; meet OSHA and EPA guidelines; and be prepared when that spill does happen.

Available in Universal, Oil Only & HazMat:

Essentials **universal pads and rolls** are all-purpose sorbents — perforated for flexibility and efficiency.

- Great wicking and performance for all of your leaks, drips and spills
- Dimple bond pattern increases strength and durability

Oil only sorbents are available in a variety of constructions to meet all of your application requirements.

- Absorbs all petroleum-based liquids including oil, gasoline, kerosene and diesel fuel
- Naturally repels water making them ideal for environmental clean up
- Perforated except for the unbonded products

Designed to warn users of potentially dangerous spills, **HazMat pads and rolls** are color-coded yellow for safety.

Essentials: Pads & Rolls

Universal Pads & Rolls:

Item#	Description	Count	Pallet Qty
<i>Single-Ply Meltblown:</i>			
U1PL100	15"x18" Lightweight Pad	100/Bag	66
U1PL200	15"x18" Lightweight Pad	200/Bag	36
U1PL300	30"x300' Lightweight Roll	1/Bag	24
U1PL300-2	15"x300' Lightweight Roll	2/Bag	24
U1PM100	15"x18" Medium Weight Pad	100/Bag	42
U1PM150	30"x150' Medium Weight Roll	1/Bag	27
U1PM150-2	15"x150' Medium Weight Roll	2/Bag	27
U1PH100	15"x18" Heavy Weight Pad	100/Bag	36
U1PH150	30"x150' Heavy Weight Roll	1/Bag	24
U1PH150-2	15"x150' Heavy Weight Roll	2/Bag	24
U1PXH100	15"x18" Extra Heavy Weight Pad	100/Bag	30
U1PXH150	30"x150' Extra Heavy Weight Roll	1/Bag	24
U1PXH150-2	15"x150' Extra Heavy Weight Roll	2/Bag	24

Two-Ply Spunbond/Meltblown: Great For High Traffic Areas

U2PL100	15"x18" Lightweight Pad	100/Bag	66
U2PL200	15"x18" Lightweight Pad	200/Bag	36
U2PM100	15"x18" Medium Weight Pad	100/Bag	42
U2PH100	15"x18" Heavy Weight Pad	100/Bag	36

Three-Ply Meltblown:

U3PM100	15"x18" Medium Weight Pad	100/Bag	42
U3PM150	30"x150' Medium Weight Roll	1/Bag	27
U3PM150-2	15"x150' Medium Weight Roll	2/Bag	27
U3PH100	15"x18" Heavy Weight Pad	100/Bag	36
U3PH150	30"x150' Heavy Weight Roll	1/Bag	24
U3PH150-2	15"x150' Heavy Weight Roll	2/Bag	24

Three-Ply Spunbond/Meltblown/Spunbond: Durable, Wiping Applications

US3PM100	15"x18" Medium Weight Pad	100/Bag	42
US3PM150	30"x150' Medium Weight Roll	1/Bag	27
US3PM150-2	15"x150' Medium Weight Roll	2/Bag	27
US3PH100	15"x18" Heavy Weight Pad	100/Bag	36
US3PH150	30"x150' Heavy Weight Roll	1/Bag	24
US3PH150-2	15"x150' Heavy Weight Roll	2/Bag	24

Oil Only Pads & Rolls:

Item#	Description	Count	Pallet Qty
Single-Ply Unbonded Meltblown: Environmental Applications			
O1PL100NB	15"x18" Lightweight Pad	100/Bag	66

Sorbents play a critical role in facility safety, cleanliness and compliance. These products can help you prevent slips, trips and falls; meet OSHA and EPA guidelines; and be prepared when that spill does happen.

Socks & Pillows:

When your application requires greater flexibility, higher absorbency or a specific shape, these sorbents are ready for the job.

- Great wicking and performance for all of your leaks, drips and spills
- Socks and pillows mold around equipment and in to hard to reach places
- Oil Only product selectively absorbs petroleum-based liquids leaving water based fluids behind.
- HazMat socks and pillows are color-coded yellow for safety

Boom:

Marine-based spills require sorbents specifically designed for the challenge. Booms form a migration barrier preventing the spread of hydrocarbons while absorbing the petroleum-based fluids from the water.
